

HAPPY LABOR DAY!

SAFETY PRECAUTIONS SEPTEMBER 2020

For drop off, please park your car and walk your student to the door. Always use the cross walk. You may park or pick up curbside at dismissal. The lobbies are temporarily closed (exceptions will be made for our 2-3 year old classes and new students). A teacher or staff member will be inside waiting to receive students and will offer hand sanitizer to all. At the end of class, students will sanitize again and dismiss 5 minutes early.

In between classes we will spray disinfectant in each studio, the lobby, bathrooms and wipe down barres, counters and bathrooms. Each day the studio floors are washed with bleach. We deep clean the studio weekly. We have screen doors in the back for ventilation.

The studio will be divided into individual grids for personal distancing.

Bring a mask, water bottle, dance shoes and a small hand sanitizer.

All cell phones must remain in their dance bags. Emergency use only. Exceptions will be made for students who need their phones for medical assistance.

Please do not send your child to class if she is not feeling well. We have a touchless thermometer if needed.

We need to know, in advance, if your child has any allergies.

If you need to purchase dance shoes, we will open the lobby for you Monday thru Thursday from 3:00-3:30, Saturday 12:00-2:00 or by appointment. If you are on auto pay, your child can purchase shoes.

No eating in the building

Masks are mandatory for all students ages 5 and up.

Bathrooms are for students only. They are equipped with touchless soap dispensers and paper towels.

If you choose not to attend class, we understand. Performance group members will not be penalized for missed classes.

All of these rules will be reevaluated at the end of each month.

Lastly, if you have any questions or concerns please contact the studio at 815-464-1220 or office@dancecompanyfrankfort.com

Welcome Back! We thank you again for your patience as we work through this process.
